Sir:

**COMMUNICATION REGARDING CHANGE IN FEE STATUS  
AND DEFICIENCY PAYMENT**

MDS Analytical Technologies (US) Inc., assignee of the entire right, title, and interest in the above-identified patent, would like to change the fee status for the patent from small entity to large entity status. Please note this change in fee status in the appropriate Patent Office records.

**Issue Fee** – paid at large entity rate

The Issue Fee was paid via U.S. mail on December 22, 2004, at the large entity rate. A copy of the issue fee transmittal and payment check showing the large entity amount are attached. A communication formally requesting a change in fee status was submitted via facsimile the same day, December 22, 2004. A copy

of this communication is attached. However, it appears that the official records never were updated to show this change.

First Maintenance Fee – paid at small entity rate; deficiency enclosed

The First Maintenance Fee payment was inadvertently paid at the small entity rate on August 8, 2008. The third party paying the fee relied on the U.S. Patent and Trademark Office's records, which had not been updated to show the change in fee status to large entity. Consequently, applicant is submitting herewith an electronic payment in the amount of \$515.00 to pay the difference between the current large entity fee amount (\$980.00) and the previous small entity fee payment of the underpaid fee. An itemization of the deficiency payment follows, pursuant to 37 CFR § 1.28(c)(2).

Type of Fee	Amount Paid as Small Entity	Date Payment Was Made	Deficiency Amount
First Maintenance Fee	\$465.00	August 8, 2008	\$515.00
		<b>Total Deficiency:</b>	<b>\$ 515.00</b>

Please charge the total deficiency amount, above, and any additional fees or credit any overpayment, to Deposit Account No. 11-1540.

It is respectfully requested that the errors in claiming small entity status be excused. If you have any questions or comments, please contact the undersigned attorney of record.
